## Please Check How The Government Should Address Your Debt:

- DO SOMETHING!** ..... Tell Washington we need a bi-partisan  
commission to get our nation's finances  
in order. (Go to: [www.owenandpayne.com](http://www.owenandpayne.com))
- PASS THE BUCK!** ..... Have my children and grandchildren pay it by  
doubling their tax rates over time.

This is not a real U.S. government form, but the numbers are real. Without Medicare, Medicaid, Social Security, budget and tax reform, these numbers will grow every year. For more information, please visit [www.owenandpayne.com](http://www.owenandpayne.com)
